RESERVATION WITH CYCLE COMPUTER

You have the possibility to book a **Polar CS 500+ cycling computer** with you bike. For a safe and effective training it determines your heart rate zone automatically. If this range is exceeded, the system emits a beep. That is how ambitious athletes control and ensure their high-speed performance.

PEDALS & ACCESSORIES

IMPORTANT

If you normally ride with cycling shoes then you must **bring your shoes AND PEDALS with you!** Included in the price of the hire, the road bikes are equipped with normal **flat pedals**. If you do not wish to ride with such pedals then you must bring your own.

Providing those who have forgotten their pedals with a suitable pair (if available) will incur a hire charge.

The Mountain Bikes are equipped with plain pedals but Shimano SPD pedals are also available. Helmets are provided in the hire price, for those who do not bring their own.

There are NO bike computers/speedometers on the bikes.

Spare inner tube and pump is provided in the hire.
